NOTICE

Subject: Re-Conduct of FTII Entrance Examination 2025–26

In continuation of the FTII Entrance Examination (Written Test) held on 26 April 2026, it is hereby informed that, based on the findings and recommendations of the Committee constituted to examine the conduct of the examination, the Institute has decided to re-conduct the examination for all candidates for all papers.

The decision of full re-examination at the national level is taken in order to ensure a uniform, fair, and credible assessment process and to provide a level playing field to all candidates in the wake of concerns regarding the overall perception of fairness and integrity of the examination process that arose in the light of some operational deficiencies and a major disruption in Delhi Centre which led to cancellation of exam at that centre.

Candidates do not need to do any further formalities with regard to their registration and their existing data will be applicable for the re-examination. The detailed schedule of the re-examination and issuance of admit cards will be notified separately on the official website of FTII. Candidates will be informed about the date of examination at least one month in advance so that they can make necessary arrangements. Candidates are advised to regularly visit the website for updates.

The Institute regrets the inconvenience caused to candidates and assures that all necessary measures are being taken to ensure a smooth, transparent, and fair conduct of the re-examination.

For any queries, candidates may contact the Office of the Controller of Examinations (CoE).
