 - a. **Only those Bids will be evaluated which are found to be fulfilling all the eligibility and qualifying requirements of the RPF, both technically and commercially.**
 - b. The technical Bids forwarded by the Bidders will be evaluated by the Customer with reference to the technical characteristics/technical parameters/ eligibility criteria as mentioned in the RFP. The compliance of Technical Bids would be determined on the basis of the parameters specified in the RFP.
 - c. Past performance report of similar items earlier supplied to this Organization will be taken into consideration while evaluating this bid. The bid shall be rejected, if the past performance of the similar item earlier supplied to the Organization is found to be unsatisfactory.
 - d. **The Price Bids of only those Bidders will be opened whose Technical Bids would clear the technical evaluation.**
 - e. The lowest Bid will be decided upon the lowest price quoted by the particular Bidder as per the Price Format given at Para 2 below. The consideration of taxes and duties in evaluation process will be as follows:
 - (i) **All taxes and duties quoted by the Bidders will be considered. The ultimate cost to the customer would be the deciding factor for ranking of Bids.**
 - f. The Bidders are required to spell out the rates of GST in unambiguous terms. In the absence of any such stipulation it will be presumed that the prices quoted are firm and no claim on account of such taxes & duties will be entertained after the opening of tenders. If a Bidder is exempted from payment of GST up to any value of services from them, they should clearly

state that no GST will be charged by them up to the limit of exemption by Government which they may have. The documentary evidence for exemption of any statutory duties and taxes has to be produced along with price bid. If any concession is available in regard to rate/quantum of GST with the approval of Government, it should be brought out clearly. Stipulation like, GST is presently not applicable but the same will be charged if it becomes leviable later on, will not be accepted unless in such cases it is clearly stated by a Bidder that GST will not be charged by him even if the same becomes applicable later on. In respect of the Bidders who fail to comply with this requirement, their quoted prices shall be loaded with the quantum of GST which is normally applicable on the item in question for the purpose of comparing their prices with other Bidders.

- g. As this tender is through Central Public Procurement Portal in the BOQ there are two columns one is without taxes and other is with taxes and the L1 is decided on the basis of without taxes and with taxes separately. Therefore bidder may kindly note that if there is any difference in GST rate (in % terms) the actual GST percentage will be taken into consideration and will be applied to the base rate quoted by the bidder to bring at par all the bidders for making the comparison to find the L1 bidder.
- h. If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price will prevail and the total price will be corrected. If there is a discrepancy between words and figures, the amount in words will prevail for calculation of price.
- i. The Lowest Acceptable Bid will be considered further for placement of contract/supply order after complete clarification and price negotiations if required as decided by the customer. Customer also reserves the right to do Apportionment of Quantity, if it is convinced that Lowest Bidder is not in a position to supply full number of store & services within stipulated time and the same will be placed to the next bidder at Lowest-1 rate.
- j. Any other criteria as applicable to suit a particular case.**
- k. Evaluation will be done as per extant orders issued by MoF on time to time on above subject.**

2. **Price Bid Format:** The Price Bid should be submitted online as per BOQ format only. The bidders must fill the columns of without taxes and with taxes both.
