OFFICE OF THE CONTROLLER OF EXAMINATION

NOTICE

Subject: Revision of MERIT LIST OF FTII ENTRANCE TEST 2024-25

A review of the published merit lists (as published on 17th Oct. 2025) of FTII Entrance Test 2024-25 was undertaken and upon comprehensive review and verification of the merit lists, certain calculation-related discrepancies were detected.

This revision has led to changes in relative merit positions of some candidates. The corrections ensure that the results now fully reflect the verified and accurate assessment data. The revised merit lists published along-with this notice now include the marks of all candidates.

All originally selected candidates in the earlier published merit lists (as published on 17th Oct. 2025) remain present (selected) in the revised merit lists. However, there are additions in some of the courses as a result of this revision only as a one-time measure.

FTII acknowledges the efforts and aspirations of the candidates and deeply regrets the confusion and inconvenience caused by this development.

As a Government of India institution and a deemed to be University, FTII reaffirms its commitment to transparency, fairness, and institutional integrity in all admission-related processes. Candidates are advised to check the revised merit lists available on the FTII website.
